LETTER OF RECOMMENDATION PAPRIKA GRAPHICS AND COMMUNICATIONS

This is to confirm that Centre for Communication Impact has contracted Paprika Graphics and Communications to undertake graphic design, production, layout and printing services across our various campaigns for the last 8 years. They have produced various branding and promotional materials for us over the years including brochures, business cards, pull up banners, vehicle wrapping and branding, posters and electronic banners amongst others. The team is highly efficient and delivers work on time often within very tight deadlines.

We have been satisfied by the services rendered by Paprika Graphics and Communications in terms of quality and delivery to date and therefore recommend their services without hesitation.

Feel free to contact me should you require more information.

Sincerely,

Sara Chitambo
Programme Manager
